EDITORIAL

This month we've been tripping over lovely young ladies, in bikinis, lingerie and, well, not much at all. Yes, it's been a regular paradise at Club HQ with troops of beautiful girls filing through to our studio.

This month we have Natalia Starr showing off her baking skills, Anissa Kate giving us a perfect backstroke, Megan Salinas pottering around her kitchen and Melissa Howe shows us just how well she can work a duvet day. Another star shining bright this month is Rhiannon Ryder who's cruising into the fast lane of her modelling career, so it's no wonder she's been hard to get hold of lately. But someone who did pop in for a revealing show and tell, you'll be excited to hear, was Brooklyn Blue. This fun loving 27-year-old has had us transfixed for months and you're about to see why. Till next time...

Dear The Lounge,

This is the first Christmas that my boyfriend and I had spent together. I was a little sad about not going home to my parents, but Jake and I spent Christmas 2017 apart, and I spent

most of the time missing him, especially at night!

Besides, this year, Jake, who is a student, landed a job playing Santa at the department store where I work, meaning we would both be working until late most evenings, but working (very nearly) together.

The perfume counter where I work is on the same floor as Santa's grotto, so I'm able to watch him during the day. After the first day or two I began to fantasise about having sex with Santa. It sounds daft, but Jake still manages to look fit in his scarlet suit, despite the padding and the beard. And he's fun to watch too, because the kids really believe he's the real deal.

Jake always seemed to be continually hot for me too, because whenever we were on a break together his hands would wander all over the backs of my legs and under my skirt. And even though

we were rarely alone, one way or another he never missed an opportunity to feel me up. Not that I minded! I'm seldom the good girl I pretend to be, and Jake's fingers can work magic when they find their way inside my panties.

Christmas is always hectic, but this one evening I was especially glad when the

“I felt myself stiffen as a gush of pussy juice rushed to my inflamed cunt...”

Tannoy announced that the store would be closing in 15 minutes. Santa and I were aiming to disappear inside the little hut behind the grotto wall for a little bit of Christmas fun.

The others had planned to have a few

Christmas drinks in the staff canteen before leaving so we were pretty sure we wouldn't be disturbed. The other girls had already rushed

off to the toilets to tart themselves up, so no-one missed me as I made my way across

the floor for my own private party with Santa.

Jake still had his beard on when I sneaked inside the hut. “Come here, little girl,” he said, pulling me gently towards him by the arm, “and tell me what you want for Christmas.”

Blushing and giggling, I sat on his lap and he put his arms around me, brushing his hands across my breasts and making my nipples tingle. My breasts heaved as I became really excited and my tits strained in my bra cups as Jake opened my white blouse. They moved up and down and my hard, deep pink nipples showed through the cups of my flimsy white

lace bra.

Jake muttered, “Ho, ho, ho,” and all the usual as I unclasped the back of my bra, allowing my boobs to hang free. Then, getting into full Santa mode, he repeated his question. What would I like for Christmas? I wriggled my arse against his growing erection. “Well, Santa,” I said

teasingly in my girliest voice, “what I'd really like is to be fucked hard by a big man in a red suit.”

I thought he was going to choke with laughter as I delivered the line. He was still chortling while I told him that if he could really make wishes come true, he could start by sucking my tits. “Merry Christmas, then,” he sniggered and he began sucking and licking at my nipples for all he was worth! And the more he sucked, the wetter I got.

I looked down and noted with satisfaction that a large tentpole had formed in the front of

dear old Santa's trousers, so I reached down and began to rub it through the material.

I think I was loving this even more than he was. Undoing his zip, I pulled out his big cock, and, hopping off his lap and dropping to my knees, I began licking and sucking his huge dick with my tongue while Santa leaned back against the wall.

Just as he was about to cum, I looked up and asked cheekily whether "Santa's little helper" was doing a good job. Jake nodded his head, practically choking on his false moustache and beard.

I rose and hiked up my skirt and slipped off

my panties and tights. Sitting on the edge of the table with my legs held wide open, exposing my wet pussy, I told him to get over there and fuck me.

Still a little breathless, Jake stuck his big prick deep inside me. I thought I was going to come from that one initial thrust, and then my pussy gripped and clenched as he sawed his cock in and out of my hot wet cunt. It felt so good as my bum cheeks banged up and down on the table top and Santa hammered away at my pussy. He certainly put one hundred per cent into it, slamming his cock deep inside me until I felt myself stiffen as a gush of pussy juice rushed to my inflamed cunt and I came nice and hard.

This was definitely the start of one of the best Christmases ever, and as my pussy stopped pulsating from the hard fuck I'd just

received, we kissed deeply, the hairs from his thick white beard tickling my nose and chin and making me feel more naughty and worked up than ever.

Wrapping my legs around his waist, I held on tight while he pounded my cunt with increasingly fast piston-like strokes until I found myself coming over and over again, one orgasm mixing with the next until it all seemed to be one long drawn out climax.

Jake held me to him as my pussy spasmed intensely, trying to milk his big cock. But Santa was not going to cum until he was ready, and asking me if I had been a good girl this year, he waited for me to answer "yes" before finally emptying his warm sticky cum deep in my pussy, groaning, "Ho, ho, ho!"

Dani, Peckham.

Megan is certainly an inviting thought, but us being British is her tea making up to snuff like the rest of her?

"I have made tea before, but I'm not sure it will be quite up to the standards you're used too, I know you guys are fussy about tea, and being American I'd definitely say I'm more of a coffee girl."

Well, that stands to reason, and I'll let you off, seeing as your so outstandingly hot.

"Why thank you, you're not so bad yourself."

Good grief, when you hear words like that, coming from such a beautiful mouth, it's hard to fathom reality!

CLUB INTERNATIONAL

Dear Total Recall, I've recently started buying Club International again after a break of many years. I first started reading your enthralling magazine when I was in my early twenties, and I remember the first issue I ever brought was Vol. 32 No.11. When I opened up the beginning pages of that issue, my eyes came across a gorgeous blonde called Dawn. I can just picture her little pink cardigan

and white skirt now, it goes without saying I had a raging hard-on immediately, that I had to take care of. So when I saw that Club had a new section dedicated to the reminiscing of beautiful babes that have passed through your pages I couldn't miss the opportunity to write in about Dawn and see if you'd be able to feature her in your Total Recall section.

I eagerly await the next issue.
Bill, Gateshead.

Dark, tempting and in a bikini, Anissa Kate really couldn't be any more alluring if she tired! Well, having said that, once this gorgeous creature starts to untie her bikini our eyes, and other fractions of our body did pop out, much to Anissa's enjoyment, as she gently teased us into a state of frenzy. Miss Kate certainly knows how to get the best out of a gentleman.

The Girl in the Spiders Web

DVD £9.99, Blu-ray £14.99

This dark Scandi thriller is now on its third Lisbeth, after the successful Swedish version starring Noomi Rapace and the sublimely cold American version with Rooney Mara. But here we are again with Lisbeth Salander, now played by Claire Foy, in David Lagercrantz's follow up to Stieg Larsson's Millennium novel trilogy. The leathers are on, the deadpan scowl, and the hunched hacking is believable, as Foy inhabits Salander against a backdrop of derelict industrial spaces that add a chilling note to the smoky atmosphere. Foy's version isn't as primal or alien as those before, yet she stands out with subtlety and repressed pain. Everything else about this production feels a little familiar or even conventional, tense moments, big scores and sequences, Salander's character feels lost within it, and the psychological edge is treading water without making a splash. The prologue shows us a young Lisbeth, her sister and abusive father, and already you get an inkling of where things are heading. So when the adult Lisbeth swoops in like a superhero or vigilante on an unpleasant man and his punchbag of a wife, you know a taste of his own medicine is impending, and where the story will go. There aren't really any surprises in this one. Still a good action watch that could do with more exploration.

Robin Hood

DVD £9.99, Blu-ray £14.99

You're told to "forget history" during the opening of this latest version of Robin Hood, and heeding that advice by director Otto Bathurst's, ensures you won't get bogged down in the fact that history really plays no part in this version. Robin of Loxley (Taron Egerton) has returned from the Crusades to find his estate in tatters, his lady love Marian (Eve Hewson) gallivanting off with another chap, and the people of Nottingham under the burden of poverty by the Sheriff (Ben Mendelson). Under the coaching of John (Jamie Foxx) the broke Robin becomes the outlaw 'The Hood' robbing the rich, and showering gold coins on the poor. Egerton is perfectly likeable in the role, but nothing else hangs together in this latest adaptation of the legend.

Deutschland '86

DVD £24.99

The mission at the centre of Deutschland '86 is a tad confusing, but you're not alone as the East German spy Martin Rauch (Jonas Nay) carrying out the scheme is also scratching head. His government needs him to facilitate an illicit sale of West German weapons to South Africa, with the help of the African National Congress who are oppressed to the apartheid regime. But it's all for the greater good, but who are the good guys will be your next question? Back for another series after the success of Deutschland '83 things have moved on a bit, but this latest series still holds its thrilling Cold War edge. An excellent soundtrack like the first series, but there is seriousness to the subject under all the pop culture references that holds it's own.

Set amid the puffy white duvet and scattered pillows, lies Melissa Howe, stretched out with her dark hair fanned out around her. She seems almost stately as she poses for the camera, approachable, yet entirely in the moment of the shoot, with all the hustle and bustle of behind the scenes proving no distraction. No wonder her modelling took her all over the world last year, from Europe to America, Melissa was putting on quite the show. But it's good to have her back in Club.

Natalia Starr, really is the icing on the cake, or rather she's invited me over to test her baking skills and currently has her fingers in a bowl icing drizzle.

"The creamy consistency reminds me of something, but I'm not sure what exactly...it will come to me in a minute."

Fortunately, I was able to give her a clue so that minute was only about 10 seconds.

"Yep you're right, it's like a giant bowl of jizz! Now I'm wondering how many guys it would take to make this volume of spunk? Maybe, I could do a little experiment and find out."

Well, you have a willing test subject right here...

SCRUFF JUSTICE!

Please be upstanding!

Insomnia

Wicked

Starring: Mona Wales, Ryan Driller, Chanel Preston, Jenna Sativa, Eden Sin, Tyler Nixon, Moka Mora, Derrick Pierce, and Jay Smooth

Synopsis: "Piper Valentine has lost everything. Her husband cheated, her company went bust and without either, any sense of herself and the life she had was gone. Leaving everything behind she goes on the road and develops insomnia, her life turning into a waking dream. Endless driving, seedy motels, and chance encounters become the norm as one day blurs into the next. When she meets Terry, something changes. He's sweet and the sex has a tenderness she's never encountered with a one-night stand. Ultimately, she finds out he's a drug dealer, and agrees to run an errand for him. Arriving at her destination she immediately

realizes it's a meth lab, and after spending the night with cooks Phil and Faith, wakes to find herself stranded. When she doesn't return that morning, Terry and his business partner January race to find her, and although January thinks Piper is better off dead, Terry gives her a handful of cash and just maybe a way to stop running from herself."

Courtesy of Wicked

Verdict: It looks like Piper (Mona Wales) has a head full of problems as she drifts from day to day in an insomniac dream, enjoying encounters with men eating ice cream, that leads to a more tender than

a typical session between the sheets. Before she knows it Terry (Ryan Driller) has whisked her off

to his house, where she meets January (Chanel Preston) Terry's partner in crime, literally. But it appears everyone is rocking the local motel walls as Preston and Jenna Sativa crack out some girl-on-girl action, with pussy rubs and clit sucking, before the toys come out and Jenna's tongue tickles Preston's bumhole. Something different for a night in.

Private Driver

Private

Starring: Ria Sunn, Sarah Kay, Ornella Morgan, Dominica Phoenix, Daphne Klyde and Victoria Pure.

Synopsis: "Private's babes travel a lot to get the job done which

is why we have Joss Lesscaf, a well hung Private Driver who is happy to satisfy our cock hungry nymphos in between sessions! Starring the gorgeous Ria Sunn, Sarah Kay, Dominica Phoenix, Victoria Pure, Ornella Morgan and Daphne Klyde this epic new movie takes things into 5th gear and never hits the breaks! Whether he is pounding tight pussy with his big black cock or just watching his ladies fuck in the back seat, this stud will guarantee the ride of your life. Prepare yourself for DP, creampiees, facials and more!

Just be sure you buckle up and enjoy the ride!"

Courtesy of Private

Verdict:

Black stallion Joss Lesscaf acts as the private driver for Victoria Pure, but Lesscaf is up for a bit more than his jobs worth as these two kick off an interracial fuck fest, that's heavy on the oral, touches on anal and finishes off with a

creampie in her shaven haven. So it looks like Victoria is not so pure after all. Another lady Lesscaf likes to look after is Dominica Phoenix, and she seems more than happy with the arrangement as they

rock the wheels of the car. We're not sure how Lesscaf manages to keep his eyes on the road as Miss Phoenix pops his hard cock in her mouth, what a legend!

We always get very excited when we get a whiff of a newbie, we're like bloodhounds in that way, poised for action, so when the right woman comes along, we can

jump right in. So when Brooklyn Blue sauntered into our studios, we all knew there was going to be a buzz about this one. Certainly not camera shy and with a bubbly personality to match, Miss Blue

has us in raptures in no time, and fighting to contain ourselves, which is why we couldn't resist popping her on this month's cover for an eye-catching spread. Bon appétit folks!

Now you may recognise Rhiannon Ryder from one of the great entertainments of the age Fake Taxi, or one of the many other entertainment channels that she has appeared on recently, as this lady has

been working herself hard. "I've been mega busy, there been so much hard cock floating about that I've barely had time to breathe! Then there's the video's I've been making for my only fans page too."

MILE HIGH MUFF

As a female co-pilot working for a major UK airline I am in the minority in a very male-dominated world. It has its ups and downs, so to speak. Sometimes I get frustrated because the air

stewardesses get all the attention; the pilots and engineers often prey on the 'trolley dollies' thinking they're easy lays. I'm 29, good-looking, single and extremely choosy. It means I can go months without a sexual partner, which as any young woman can tell you is an awfully long time. My pussy instinct gets all too pent up and I start noticing myself becoming really sexual in my everyday actions.

Last week I flew to Amsterdam and got dragged to the red light district by a couple of work mates. They took me to a peep show booth and seedy as it was, it did get me all hot and bothered. I got off on watching a horny young couple fucking, the well-built guy looking me right in the eye and smiling as he rammed into his pretty partner. But I actually want to share a different experience with you. It happened while I was working on a twelve hour transatlantic flight the other day. As always, I was sat in the cockpit with the pilot and engineer. We were well into the flight when not surprisingly the conversation steered towards sex. Mike, the pilot, was grumbling about how his present girlfriend seemed to have virtually lost her sex drive lately and Grant was naming and shaming several of the stewardesses he'd fucked over the years (including one on our flight, I might add). I was pretty shy when they started asking me questions about my sex life, but realising there was a long flight ahead I decided to turn the situation to my advantage. Once automatic pilot was set I

began to flirt a little, seductively giving away hints about my own sex life. I made a point of stressing just how long it had been since I'd been fucked or fingered. Little by little, I knew I was gaining control of the situation as the conversation continued.

"So you've never had a good blow job and you've never had a girl swallow?" I said to Mike, who'd been complaining earlier. He nodded and Grant started laughing. I told him to get his cock out and dare me to do better. He looked momentarily uncomfortable in front of his colleague, but the offer of head was too tempting. He got his semi-erect dick out. Instantly my skin tingled and my mouth watered at the prospect of something to suck on. The exhibitionist streak in me was enjoying the fact that the engineer would be watching too. I spat on his cock to lubricate my hand movements before throating his growing member to full erection. I love going down on men, teasing my tongue around the head of the prick, flicking and gliding before taking it all down. We hit a patch of turbulence and poor Mike had to make an announcement over the intercom. He was so flustered, trying to concentrate on what he was saying whilst my head was planted in his lap. But I didn't stop sucking until I'd milked him dry. One cock was not enough, so I turned to Grant who by now was sat with his mouth wide open and with an indiscreet bulge in his pants. His cock looked like it was as erect as my nipples.

"It's no wonder this girl ended up working in a 'cock'pit. She's amazing... a complete natural," Mike teased. Without using my hands I found Grant's dick and started blow job number two. He was less shy and much noisier, encouraging me to keep up

the good work. His hands wandered, and at first I kept slapping them away, not wanting to let things go too far. But once he'd spurted his load down my throat I was wet and hungry for an orgasm. I had two drained and contented cocks – and now it was my turn to get some!

Although the cockpit door was locked the risk and excitement of being 25,000 feet in the air and getting up to no good gave me a really kinky buzz. When the stewardess interrupted us to serve dinner we had to quickly pull ourselves together and endure the usual chit chat, while all I could think of was getting something solid between my legs. I was turned on by the tricky situation we found ourselves in. Being in a tight space, none of us were really able to relax and give in to our desires. After all, we still had a job to do! I sat on Grant's lap and encouraged him to undo the flies of my work trousers. Mike moved over to rub my pussy through the clinging material and I watched in awe as one hand slipped into my knickers and rubbed my clit while the other practically fingered me through the material. Grant pulled his hand out and asked me to wet his fingers. My aching jaw opened to take his

since). Not very professional I know but, what the hell... It was the best two day, two way layover I've ever had!

Pat, Guildford

PARTY HARDY!

I've only been married for 12 months, but my husband Alex travels a lot with his job and it has to be said, our sex life has suffered. Though we do have lots of phone sex, which is great, it's just not the same – and it doesn't half cost a lot too! With all the sexy talk my fantasies have been getting increasingly outrageous as well. They often involve friends of ours, especially Tim and Laura. I've always sensed a real sexual tension whenever the four of us get together and last week that instinct was proved right. They invited us

fingers in. Once they were wet he put them back inside my underwear and circled his thumb around my clit. Mike eased my trousers and knickers down just past my hips, and filled my pussy with his fingers, hooking them into crevices I felt had never been found or touched before. I sank back onto Grant's lap, my cunt automatically slipping forward to encourage Mike's fingers even deeper inside. He twitched and curved them around my juicy cunt, but I couldn't open my legs as my trousers were still tight around my hips. This just made the sensations stronger. My orgasm began to build and blaze through me in waves. Grant had to cover my mouth to stop the first class passengers overhearing my screams!

During the final leg of the flight I told Mike that I hadn't quite finished with either of them yet, warning that it was just as well we had a two day layover ahead. We didn't leave the hotel for the full two days. Rooms were block-booked and luckily ours were all in a row on the fourth floor... mine on the end. It allowed me to engineer some kinky, harmless fun. I never once fucked the guys together – preferring to keep them constantly wound up, frustrated and ready to fuck one at a time. As

my popular pussy rode one guy the other who was just next door could hear every last gasp and whimper.

Once I'd been turned into a come-covered slut, I'd knock on the other guy's door and he'd be ready and willing to fuck me all over again. One time I was in the Jacuzzi being fucked up the arse by Grant and I felt it only fair to show Mike what he was missing... I called him and left the receiver off so that he could hear everything, and get ready for what was coming. The games were endless and I let go sexually like I never have before (or

over for a birthday dinner to celebrate Tim's 30th; just the four of us because they wanted something low-key and quiet. They're quite posh, live in a big house in Kensington and Laura doesn't have to work; she rarely even cooks. All the food for the evening was prepared by a hired chef. Knowing what they're like I made Alex dress up smartly in a tuxedo as I knew Tim would make the effort. We spent ages thinking about what present to get Tim, who literally has everything. After thinking about it for ages we decided to get him some Viagra. For a laugh I baked a cake

“I was spoilt for choice with two cocks and another pussy...”

with a small box of them hidden in the middle. After a delicious dinner (and lots of wine and spirits) the atmosphere had definitely loosened. We gave Tim the cake and told him it needed cutting before the fun could really begin. Tim was so pissed he dragged his finger through the thick layer of cream and smeared it onto Laura's cheek. Initially she wasn't amused until I turned around and carefully licked every sickly inch off. I'd taken a chance, but by this point was too pissed to really care. We were giggling as we fooled around, the boys looking on in disbelief. We all took Viagra and I knew then that the evening was going to descend into pure, unadulterated decadence. Laura and I danced as we waited for the drug to take

effect. I watched her pantied butt shaking to the music and wondered what she was like in bed. As she slow-danc=ed and rubbed up against me I felt an incredible burning sensation coming from my groin. The Viagra was intensifying everything. I pulled Laura

into me, for a split second forgetting the boys were watching. As I felt her up and kissed her she practically dissolved into my embrace. She was so receptive to my light, feminine touch. She whispered something to me, in between subtle tongue darts into my ears.

“If you give my Tim an oral birthday treat, I'm sure I could follow your lead with Alex,” she suggested. I simply turned around, got down on all fours and crawled over to the guys. Laura followed, tugging on my skirt to let me know she was right behind me.

Tim, the dirty pervert, already had his hand down his trousers. I was really intrigued about what I would release from his flies. Did Laura get fucked by a big, fat cock every night? It was so strange being in this sexual situation with both of them, but at the same time incredibly horny. I unzipped and Tim's cock proudly popped out to greet me. I sucked it slowly; in and out, up and down. I glanced over to Alex, who was watching me give his friend head. Then I looked at Laura working his stiff prick. My pussy was really moistening at this sexual information overload. I was spoilt for choice with two cocks and another pussy in

the room. I made the guys sit closer together so that I could touch Laura as she sucked Alex's dick. I watched him squirm as she licked up the shaft to the tip of his prick before gobbling his length down. I knew he'd be so turned on he'd be finding it hard not to shoot his wad straight down her throat. Tim pulled my big tits out of my dress so that everyone could get a good view. He then told me to go over and attend to his wife and I had to admit I was itching to taste her skin and sample her sluthole firsthand. Her expensive dress was creased and crumpled around her and needed to come off. It didn't even interrupt her cock sucking as I pulled her dress down over her gorgeous body. She had tights, cream panties and a half cup bra on, but the tights had a hole in the crotch area (deliberate or accidental? I couldn't tell). Either way, I ripped an even bigger hole for easier access.

Laura thrust her pussy back towards me, showing me how

much she wanted to be touched. I pulled her panties aside and breathed gently on her succulent love hole. It looked so clean, new and unused. I moved my tongue around her inner thighs until I found her sweet, dripping cunt lips. I edged my head round to get into her from the best angle, dipping the end of my jutting tongue inside her. Her cream was seeping out and sticking to her brown pubic curls. I continued face-fucking her until she orgasmed into my mouth. She carried on sucking Alex off as he fondled her nipples, roughly squeezing and pinching them when she came. The boys then pushed us down onto the floor, ready to play with us before planning to mutually penetrate us with their stiff cocks.

Laura and I were lying head to head, kissing as they got to work on us. I heard Alex tell Laura he was going to go down on her and I felt a sudden tinge of jealousy as I realised how lucky she was to have his mouth clamped down on her cunt lips. He gave the best oral sex ever. But my mind soon wandered as I felt Tim's warm lips on mine. He had such a different technique, but it felt just as good. As I screamed Laura wailed and Tim and Alex realised it was time to fuck us. Tim was kneading Laura's tit while he kissed me. The perversity of it all struck me once again and I couldn't stop myself coming. Laura came too, getting off on the sounds of my orgasm and the feel of my husband's cock in her cunt.

The guys could fuck forever on Viagra, so when they'd finally screwed our cunts dry we went back to sucking their cocks. Laura and I

did it together, play fighting over Tim's cock first. Laura would deep throat him as I caressed his balls. So as Alex didn't feel left out we let him finger us both at the same time. By then it was the very early hours of the morning and we made Tim spunk onto a silver tray, while Alex shot his huge load into a champagne glass. That way we figured breakfast could be served!
Jenny, Bucks.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

MY BIG FAT GREEK FUCKING

As someone who works 24/7, I am a great believer in office flings, as I have no time for anything else. My favourites have to be a bit of heavy petting in the stationary closet with the new temps or getting the accountant drunk at the Christmas party and shagging her over her desk from behind, a yearly event I might add.

Some of the stories I could tell you are good but none as good as Katie's, a work colleague of mine. She told me one of the horniest stories ever about her holiday in Greece. It gave me one of the hardest erections I've ever had, you know, the type that makes you think you could break bricks with it in Karate class.

She told me how on holiday she, her husband and his friend would go to the local barbers so her husband and his friend could get a clean shave and massage. One morning after a particularly heavy night they all went down to the barbers and Katie also decided to take the manager up on his offer of a massage. He took her to a bac rooms and asked her to remove her clothes and lay down on the table. At this point she expected to be offered a towel but the manager just left and said he would be back in a minute. Not knowing the local custom for this sort of thing she congratulated herself for remembering to put on a bikini

under her clothes before she left that morning.

As she started to strip down, the manager returned carrying a bottle of massage oil. He watched while Katie lifted her top and removed her trousers. Katie is an incredibly fit girl. Not the skinny type. She has great curves and a round little bottom that you would love to fuck all night. Whenever she dropped something in the office all the men would avoid picking it up for her just to watch her bend over and catch a glimpse of her g-string tighten around her crack.

She could tell by the way the manager was watching that he

“...fondling her pointed breasts and pouring the oil all the way down to her wet...”

was dying to get her oiled up and run his hands all over her. A bit nervous, she decided to play along. She laid on the table face down while the manager put oil on his hands. He started quite innocently by rubbing around her bikini. After about 10 minutes he got a bit more adventurous and untied the strings of Katie's bikini bra. “Is this okay?” he asked as he ran his hands along Katie's skin brushing against the side of her breasts. “That's fine,” she said, realising that he was getting more and more daring.

Katie told me that by this point she was very relaxed and was starting to get a bit turned on by the thought of a stranger touching her. She described how she could feel herself getting wetter. To tease him a bit she opened her legs slightly so he would be able to see her bikini moistening up. As soon as she did this he immediately moved towards Katie's tight cheeks to get a better look. He then put one hand on the back of one of Katie's knees and gently pushed her legs even further apart then untied the two strings on each side of her bikini bottoms and dropped one half between her legs revealing her tight arse. He picked up the oil bottle but instead of putting it on his hands he poured it onto

Katie's round cheeks making sure most of it dripped into her crack.

Katie knew what was coming and, still being a ‘back entrance virgin’ as she put it, was getting even wetter with the prospect of being finger fucked by another man while her husband was only a few doors away. With one hand on each of her plump cheeks he had now started to move the oil around. Positioning one hand on her lower back with a bit of pressure, he slid the other hand in between both cheeks spreading the oil and moving inside her legs brushing over her soaking wet lips and tight bum hole. “Don't mind do you?” Katie didn't say anything, just opened her legs a bit wider and pushed her back up further to invite him in. As she did she felt two fingers slide inside her and a very large thumb push into her arsehole.

As her masseur moved his fingers and thumb in and out she could feel him going deeper and deeper in. He then stopped, much to Katie's disappointment, and asked her to turn over. Throwing her entire bikini to the

floor, she turned over as slow as possible, making sure he saw the entire package. He could now see how hard her nipples were. As she laid on her back he went for the oil again and poured it over her, fondling her pointed breasts and pouring the oil all the way down to her wet snatch. Wanting to be finger fucked again, Katie then grabbed his hand and guided it back towards both her aching holes. As he finger-fucked both entrances, using both her hands she grabbed his wrist and used it as her own personal sex toy fucking herself in both holes as if she had two vibrators. She finally had to let go and come all over his fingers.

Fully satisfied with the service given she then got off the table and leaned over it with her arse pointing towards the manager. "Ready for your tip?" He wasted no time in taking out his rock hard cock and inserting it into her bum. With all the excitement she could feel he was ready to burst as soon as he entered her. Just before he was about to come in her arse she pulled away and placed his cock in her mouth. She was also a 'swallowing virgin' so she thought now was the time to lose that title as well. As he came, Katie wanked him off to get every last drop of his spunk into her mouth. She told me she liked the taste more than she thought she would. The best thing was that when they'd finished, Katie's husband paid as a treat for her!

By the time Katie finished telling her

story I was aching for a fuck and was trying to hide the bulge in my trousers under my desk. Katie being such a good friend, and having acquired a taste for spunk, offered to relive my problem in the staff toilets – but when we got there told me she was only joking and I should just have a wank instead!

Martin, Hulme

NIC DICK!

Thanks for publishing my last letter which came as a total surprise to my very pleased husband Nic and gave me a real buzz. It also got me into a whole lot more backdoor

“...his rock hard cock and inserting it into her bum.”

trouble...

Nic was again working away from home when he read my letter in 'Peaches' and he left me an extremely graphic and suggestive message on our answerphone. Now I know I should have wiped it there and then but I kind of liked it and then of course the inevitable happened. Fortunately it was my friend Jill who played the tape back. We had just got back from shopping and I was fixing a coffee whilst she checked our answerphone for a message she was expecting from her boyfriend.

I tried to laugh it off but it was pretty juicy stuff and naturally Jill was more than intrigued. Threatened with violence, I had to confess what we'd done and showed Jill what I'd written in Club. She read my letter in silence then declared that it was the raunchiest thing she'd heard in ages and asked me where she could find a man like my husband.

When Nic got home ten days later I was longing to be back in his arms and aching to have his cock up my arse again – I wanted my baptism confirmed! He was a little surprised when I suggested that we go out for a drink but his mood lifted when we bumped into Jill at our local especially as we were feeling particularly flirty that night.

Jill shared a minicab back to ours for a nightcap and as we were going up in the lift to our flat we started snogging in front of Nic. He could only watch amazed as our hands explored each other very suggestively in front of

him.

Once inside, the atmosphere was electric. I felt incredibly randy and not wanting the moment to pass, I turned Jill round to face Nic, slowly unbuttoned her blouse and unzipped her skirt from behind. As her blouse slipped from her shoulders, and she stepped out of her skirt, my left hand unhooked her bra whilst my right slid beneath the fabric of her cotton panties.

Nic needed no encouragement to join in and soon we were all on the sofa, him giving Jill's pussy a good seeing to with his tongue as he thrust his cock deep inside me. Then Nic pulled out of me, flipped Jill over onto her knees and slammed his rod right into her from behind. As he pounded her I grabbed her buttocks, spread them wide and teased her arsehole with my tongue. Jill's moans became more urgent the deeper I delved and it was obvious from her noisy enthusiasm what she wanted.

When Nic slipped out of her pussy, Jill reached behind her with both hands and with her fingernails digging deep into the goosepimpled flesh of her buttocks, spread her cheeks as wide as they would go. "In my arse," she hissed, then gasped as Nic's knob nuzzled against her gaping hole and eased inside. As he did so I slid under Jill and rubbed her juiced up pussy with eager fingers. Bit by bit, as Nic's cock breached Jill's tight rounded bottom, she rocked slowly back to meet him. Nic's thrusts grew firmer and deeper and she began to gasp with pleasure. Slowly Nic built up speed until he was slamming into Jill's willing arse like a jack hammer. Then suddenly she rolled her eyes, let out a long, shuddering moan and her whole body spasmed as she came, spraying my face as I worked furiously at her clit beneath her.

After a brief pause for a fag and a quick glass of wine Nic knew it was my turn to get bum-fucked. In one beautiful scything stroke he thrust home, right up to the hilt and I have never felt so fantastically filled and utterly ravished before in my life. After all that build up it only took about four deep strokes before I screamed the house down as I came and then lay there on the sofa grinning but totally exhausted.

Christen 
PHOTOS: DAZGLAM

Christen and her not so Christian ways have shed a naughty light on what this little lady gets up to at the

weekend.

"I used to be such a good little girl, church on Sunday the whole kaboodle. Then I meet

this really hot guy who turned out to be the vicar's son, and well let's just say I was on my knees a lot in church after

that!"

I think we'll just pull up a pew so you can expand on that information. Amen to that!

What our well-placed moles are telling us this month...

DOWN THE WIRE

WANK ROBBER!

A dumb criminal – too thick to be named at this time, sadly – thought he'd got away after going into a bank on New Year's Eve, handing the 'teller' a note stating he had a bomb and asking for money. He got what he wanted. If only he'd left it at that. Instead, on New Year's Day, police received a report about a man lying on the ground near a car dealers, publicly masturbating. Officers arriving on the scene noted he matched

Dear Cashier,

It would be greatly appreciated if you would hand over all the cash on the premises. Then I will happily toddle off quietly!

Yours sincerely,
Man in the mask with a bomb

the description of the suspect in the bank robbery and arrested him. He claimed he hadn't been wanking, but was hiding money in his pockets and shoes. Ah, the old 'pockets and shoes' wank. We know that one well.

DONKEY RIDE!

Most blokes, when caught fucking an animal, would shamefacedly accept their slap on the wrists and shuffle off to their sheds. Not Carlos Romero. He was arrested in Ocala, Florida recently, hanging out the back of a donkey. When questioned, he didn't flinch, saying that when the donkey is in heat he'll often masturbate behind it, as he 'likes the way her fur feels'. He also admitted to doing it several more times and ranted, "Florida is a backwards state and people frown on zoophilia here." He then went on to say humans are dishonest, but animals "are usually there for you" and "do not seek other pleasures". The 21-month-old miniature donkey, Doodle, was not available for comment.

DOG EATS HOMEWORK UPDATED!

When 40-year-old Debbie Michelle Zamacona of Winder, Georgia, the USA (where else?) called the police to report a theft, she seemed more bothered about the disappearance of her Curriculum Vitae than about the blouse that had also gone missing. Responding officers were more surprised when Zamacona fingered the possible culprit – one of two ghosts that haunt her. She said she didn't think it was the ghost of her mum, but a 'black spirit' that also visited. When asked to value the CV, she gave a value of \$5000. Man, that's must have been some nice stationery. In a nice postscript, Zamacona's poor husband later announced that he'd found a copy of her CV on her computer. IT Joke Alert: Did he ghost her drive? Lolz.
